

JOB DESCRIPTION

Job title:	Architectural Technician (Revit)
Salary:	£30,000 - £40,000 - Dependent on experience
Contract type:	Permanent with 6 months' probation period
Location:	8 Royal Street, London, SE1 7LL

ABOUT FEILDEN FOWLES

Feilden Fowles are an architecture practice based in Waterloo and recent recipients of BD's Public Building Architect and Architect of the Year Gold Award 2021. Our team of 18 delivers exceptional projects across a range of sectors spanning Education, Arts and Culture, Workplace and Heritage. We have a dynamic, energetic, and inclusive culture based in our unique, award winning studio and garden.

THE ROLE

With several exciting project opportunities on the horizon, we are seeking a talented Architectural Technician to join our award-winning team and support on a number of heritage and cultural projects across the studio. The ideal candidate must be Revit proficient and be confident implementing and developing our Revit skills. Candidates should be able to demonstrate broad experience across RIBA work stages, and evidence excellent Revit skills, attention to detail and creative problem solving.

This is a supporting role with a strong emphasis on developing the practice's Revit and BIM Skills. Candidates invited to interview will be required to undertake a short Revit Questionnaire. Please do inform us if you require any reasonable adjustments.

Key Responsibilities - include but are not limited to:

- Production and development of Revit models and working drawings
- Continuous development and maintenance of Revit models, libraries and templates
- Implement and enforce best practice procedures
- Support on teams on various projects
- Support the Project lead with input to Revit model as required
- Acting as key point of contact for internal and external project related queries
- Ensuring risk, quality and best practice guidelines are met
- Contributing to the studio's identity, design ethos and low-tech philosophy

Key Skills and Competencies:

- Excellent working knowledge of Revit and AutoCAD, with a minimum of 2 years industry experience on live projects and content creation
- Proven background in Architectural Technology
- Knowledge of BIM and Dynamo (would be ideal but not required)
- Strong visualisation output with Revit
- Strong presentation and time management skills
- Excellent communication skills both verbally and written

Person Specification

- Successful candidate must be a creative problem solver who is confident and self-motivated.
 - Confident leader with excellent communication and organisational skills
 - Eligible to work in the UK
-

HOW TO APPLY

To apply for this role please send the following to recruitment@feildenfowles.co.uk.

- Digital CV and Portfolio (no larger than 5mb). Hard copies will not be considered.
- A brief cover letter including details of your notice period, salary expectations and how you heard about this opportunity.

Please include the position applied for in the email subject line.

Feilden Fowles are an equal opportunities employer. We kindly request that upon submitting your application you consider completing our equal opportunities survey, that will be sent automatically on receipt of your application. All information provided is anonymous and used only for the purposes of helping assess and improve our policies, practice, recruitment and outreach initiatives.

Application timeline

Application deadline: 28 January 2022
